

Senior Living & Memory Care Communities

December 25, 2020

To: All Residents, Representatives, and Families:

Roseleaf Gardens Community is deeply grateful for the support of its wonderful residents and their families. As you are aware, COVID-19 cases continue to rise across the state and Roseleaf Gardens continues its diligent work to protect the welfare and well-being of our residents.

Consistent with our previous practice, we will continue to notify you as we identify positive cases in either our residents or staff members. On December 25, Roseleaf Gardens was notified that two residents tested positive for COVID-19. Both residents were at other health care settings at the time tests were performed. Both residents did not show any signs or symptoms (asymptomatic) prior to being tested.

Roseleaf Gardens immediately implemented isolation precautions for our resident in our health care center and provided an update to any staff assigned to interact with the resident. Roseleaf Gardens will provide further instruction to any staff members working with this resident going forward until cleared from precautions.

Roseleaf Gardens continues to work with Butte County Public Health officials when a confirmed case is identified. Due to privacy requirements Roseleaf Gardens cannot share further information about any of the individuals who have tested positive for COVID-19.

Roseleaf Gardens continues its response driven testing for residents in our community including our employees. Roseleaf Gardens promotes a universal masking requirement, conducts at least daily symptom screenings for staff and residents, has staff dedicated to infection prevention and quality control, monitors visitation and entry into the building, applies precautionary measures to carefully limited communal activities, and provides continued trainings on infection prevention updates.

We appreciate your on-going support, and we ask for your continued prayers during this unprecedented time.

If you have any questions, please do not hesitate to contact us at (530) 895-0800.

Eric Perry, RCFE
