

Senior Living & Memory Care Communities

March 26, 2021

To: All Residents, Representatives, and Families:

Roseleaf Chico Community is deeply grateful for the support of its wonderful residents and their families.

Roseleaf Gardens is happy to report that no new COVID-19 cases have been reported and our community has been cleared by Butte County Public Health officials. Since December of 2020 Roseleaf Gardens has had 29 residents and 15 staff members with positive COVID-19 results.

Roseleaf Gardens continues to conduct at least daily symptom screenings for staff and residents. Staff are dedicated to infection prevention and quality control, monitoring visitation and entry into the building, applies precautionary measures to carefully limited communal activities, and provides continued trainings on infection prevention updates.

We appreciate your on-going support, and we ask for your continued prayers during this unprecedented time. If you have any questions, please do not hesitate to contact us at (530) 895-0800.
